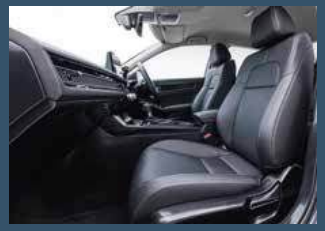
17" Alloy Wheels

A NEW LEVEL OF COMFORT



Body Stabilising Seat
Cushioning planar support, a Civic first. Drive long distances without feeling tired.

Cup Holders
Take your favourite drinks on the go.

Honeycomb Mesh
A striking metal honeycomb mesh accent stretches from door to door across the dash.

60 / 40 Fold-Down Seats
Fold down rear seats to flexibly configure the extra room you need.

Boot Space
Generous boot space for your shopping, luggage and daily haul.

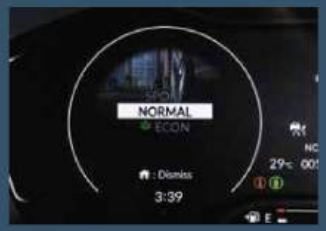
1.5 DOHC VTEC TURBO (176PS)

1.5L DOHC VTEC® Turbo Engine
For enhanced power and fuel efficiency.

7" Digital + Analog Instrument Display
View vital information more clearly in high-definition colour.

9" Display Audio with Apple CarPlay / Android Auto
Touchscreen supporting USB and Bluetooth connectivity, wireless Apple Carplay, Android Auto and other features.

Adaptive Cruise Control with Paddle Shifters
Maintain vehicle speed without having to keep your foot on the accelerator pedal.



3 Drive Modes (Normal, Sport, Econ)
Toggle between Normal mode for relaxed street driving, Sport mode for sharpened response and heightened enjoyment, and high-definition colour.

Wireless Charging
Stay connected as you charge on the go.

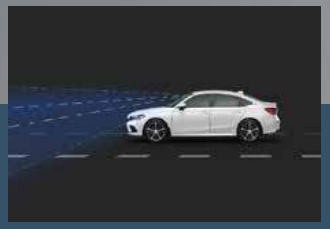
Honda
SENSING

Lead Car Departure Notification System

Notifies the driver with audio and visual alerts if the accelerator pedal is not depressed and the car in front has moved ahead.

Adaptive Cruise Control

Helps maintain a constant speed by automatically speeding up or slowing down to keep a set following distance behind the car ahead – all without having to keep a foot on the accelerator.

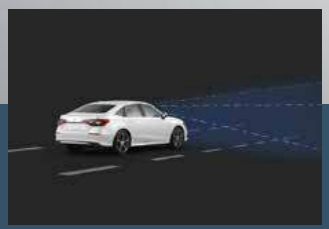


Road Departure Mitigation System

Alerts the driver when it detects the vehicle may have unintentionally deviated from its lane or is suddenly leaving the roadway altogether.

Collision Mitigation Braking System

Designed to detect and alert the driver of a potential collision. It also reduces vehicle speed to minimise impact if a collision becomes unavoidable.



Lane Keeping Assist System

Helps to keep the vehicle in the middle of a detected lane, preventing it from accidentally drifting out of its lane.

Walk Away Auto Lock

Get hassle-free security with Walk Away Auto Lock.

Multi-Angle Rear-View Camera

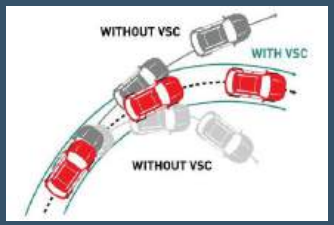
Dynamic guidelines offer three switchable views of the vehicle. So reversing into a parking lot is easier, no matter the size or lighting conditions.

Driver Attention Monitor

The Driver Attention Monitor detects and assesses driver behaviour behind the wheel to help determine and warn the driver if they're becoming inattentive.

6 Airbags System

As part of the world's first system developed by Honda, six quick-deploying airbags provide advanced passenger protection and injury reduction.



Vehicle Stability Assist™ (VSA™)

Regulates engine's output and selectively applies brakes to maintain traction on slippery roads. Helps bring car back on track during cornering when it deviates from its correct path.

CIVIC SPECIFICATIONS

DIMENSIONS	
Overall Dimensions (mm)	4681 (L) x 1802 (W) x 1415 (H)
Wheelbase (mm)	2735
Wheel Track – Front / Rear (mm)	1547 / 1575
